Bespoke Stationary Suite Package 180

The bespoke stationary suite package is a package offering that involves 'Elisabeth Williams Designs' working directly with the bride or groom (or wedding planner) to compose a unique stationary suite.

The bespoke package includes..

- a video call to brainstorm and collate a private moodboard
- one opportunity to review paintings and designs
- two opportunities to proof read text
- One detailed venue/location painting or drawing to be the main piece of art for your stationary suite
- Up to four small illustrations (ie: visual references for the information card)
- A selection of up to four varying handpainted borders using your design and colour palette.

For the Bespoke Stationary suite package, please note stationary suites and stationary units of choice will be an added cost.
